

Трьох алгоритмічних конструкцій неймовірно мало! Не всі алгоритми можна написати з допомогою слідування, розгалуження або циклу.

A rectangular frame containing three horizontal lines. A line starts from the bottom-left corner and extends upwards and to the right, ending at the top of the middle horizontal line.

A rectangular frame containing three horizontal lines. A line starts from the top-right corner and extends downwards and to the left, ending at the top of the middle horizontal line.
